

## **NEW PRODUCT**

### **Mass-Labelled anti-Dechlorane Plus** **Ma-DP**

Dechlorane Plus® (DP) is a current use additive polychlorinated flame retardant with a variety of applications including electronic cables and wiring, and plastic building materials. Due to rising concerns regarding the presence of DP, and its related compounds, in environmental samples, **Wellington** has expanded our DP product line to include a mass-labelled anti-DP certified reference standard which we hope will aid in the analysis of this group of compounds.

**NEW**

Catalogue Number	Product (toluene)	Qty	Conc
Ma-DP	anti-Dechlorane Plus®. <sup>13</sup> C <sub>10</sub>	1.2 ml	50 µg/ml

Catalogue Number	Product (toluene)	Qty	Conc
a-DP	anti-Dechlorane Plus®	1.2 ml	50 µg/ml
s-DP	syn-Dechlorane Plus®	1.2 ml	50 µg/ml
aCl10DP	anti-Cl10-Dechlorane Plus®	1.2 ml	50 µg/ml
aCl11DP	anti-Cl11-Dechlorane Plus®	1.2 ml	50 µg/ml
DPMA	1,5-Dechlorane Plus® Mono Adduct	1.2 ml	50 µg/ml
1,3-DPMA	1,3-Dechlorane Plus® Mono Adduct	1.2 ml	50 µg/ml
DBCD	Dibromochlordene	1.2 ml	50 µg/ml
Dec-601	Dechlorane 601	1.2 ml	50 µg/ml
Dec-602	Dechlorane 602	1.2 ml	50 µg/ml
Dec-603	Dechlorane 603	1.2 ml	50 µg/ml
Dec-604	Dechlorane 604	1.2 ml	50 µg/ml
Dec-604CB	Dechlorane 604 Component B	1.2 ml	50 µg/ml
CPlus	Chlordene Plus	1.2 ml	50 µg/ml
DBALD	Dibromoaldrin	1.2 ml	50 µg/ml
HCPN	Hexachloro(phenyl)norbornene	1.2 ml	50 µg/ml
